

**Why am I getting an estimated 3<sup>rd</sup> Quarter tax bill?**

Due to COVID-19, the State has recommended that all municipalities send out estimated 3<sup>rd</sup> Quarter tax bills because the State's budgetary process will be delayed until late September.

**Why is my estimated 3<sup>rd</sup> Quarter tax bill higher?**

There is uncertainty regarding State Aid and the estimated 3<sup>rd</sup> Quarter bill allows us to collect any unforeseen increases over two quarters rather than one. If the increase is not needed, tax payers will see a reduction on their 4<sup>th</sup> Quarter bill. It is only an estimate, not a final bill; however, it is treated like a regular bill with a due date August 1 and a grace period through August 10.
