Attention Residents:

Tax Bills are being prepared to be sent out the beginning of next week.

Township Mayor and Committee wants the residents to know that they are attempting a couple of steps to limit the effect of the School Tax increase; which is the result of the Washington Township School Board not adopting a budget as required.

Your Township Committee will continue to work on a solution that is in the best interest of all Township Tax Payers, and will provide all updates as soon as possible.

Thank you for your patience and understanding.
